  - ☞ Toolkits
  - ☞ Flexibility
  - ☞ Integration
  
  - ☞ An Alternative
  
  - ☞ Being Alternative

What we should be known as

∞ The Alternative!!

## Wendy Warr posed...

Is ChemAxon beginning to move away from toolkits and towards products? First Instant JChem and now a registration system...

.... but I'm told that the company is not really abandoning its core competence.

# No, and Yes

- ❧ "They don't force you into proprietary routes," said Andrew Lemon – and we still won't.
- ❧ But we will add increasingly more components to our offering that can form part of an integrated solution.
- ❧ Market leader in niche new products

# Business Objectives

- ☞ Remain independent
  - ☞ User oriented development
  - ☞ Organic growth
- ☞ Upgrade our User Interface!!  
Offices for support and development in major markets
- ☞ Major cheminformatics supplier for life sciences
- ☞ Stand Taller
